Department of Energy
Washington, D.C. 20585

Dear Mr. Walsh:

We were pleased to hear that Mr. Charles Allen's keynote address at the recent Department of Energy seminar was so well received. This is not unexpected; Mr. Allen has been an effective and enthusiastic National Intelligence Officer for Counterterrorism.

Based upon our discussion at a recent NFIB, it appears that the next seminar scheduled for Albuquerque, New Mexico in October would be more appropriately addressed by the newly assigned NIO for Counterterrorism, Mr. Andre LeGallo. I have asked him to get in touch with you soon to complete arrangements for the next address on the counterterrorism theme for your seminar.

Sincerely,

H. F. Hutchinson, Jr.
Acting Chairman

Honorable William H. Webster
Director, Central Intelligence Agency
Washington, D.C. 20505

Dear Judge Webster:

About two months ago we had asked you to make Mr. Charles Allen of your staff available to give the keynote address at a DOE seminar, "Nuclear Threat Awareness." The seminar has occurred and Mr. Allen gave the keynote address.

Much of the success of the seminar is due to Mr. Allen's substantial contribution in establishing the tone and the standard for the subsequent presentations. We have thanked Mr. Allen personally and wanted to take this opportunity to be somewhat more formal in expressing our appreciation.

This seminar is scheduled to be given again in October 1988 in Albuquerque, New Mexico. If at all possible we would very much like to have Mr. Allen open that seminar with the keynote address.

Your continued support of the Department of Energy's Intelligence Program is greatly appreciated.

Sincerely,

A handwritten signature in dark ink, which appears to read "Robert J. Walsh", is written over the typed name.
